

## DONOR CHARTER

The Spinal Research Institute (SRI) is sincerely grateful to all our donors. We acknowledge the important role of philanthropy and value the relationships we have formed.

The SRI makes the following Commitment to Donors:

- We endeavour to administer all gifts consistently and in accordance with Australian law. We are committed to managing gifts in an efficient, effective and ethical manner for their intended purposes.
- We respect the privacy of donors and take all reasonable precautions to keep donor and gift information private and confidential.
- All gifts are acknowledged with an official SRI receipt, compliant with Australian Tax Office guidelines.
- We thank donors in a timely and appropriate manner for their support. Where appropriate, and with the express permission of donors, further acknowledgement, recognition and publicity may also be undertaken.
- We maintain openness and transparency with donors, and keep donors informed of our strategic priorities and programs. Where appropriate, we provide reports about the use of gifts. Our most recently published financial statements are available on the website of the Australian Charities and Not-for-profits Commission.
- We respect donors' wishes if they advise they no longer want the SRI to contact them.
- We reserve the right to refuse gifts (monetary, goods, services in kind) where acceptance would compromise the SRI's integrity.
